We read and approved report for Town Aldermen and Alderwoman written by Karen Nagle about festivals with motion by June Gahagan and seconded by Elizabeth Staude. There was a discussion about what we, the existing Planning Board, should do because the Town Board hasn't reappointment the current members or appointed anyone else. The consensus of the group was we hated to abandon the hard work we have done on the board until we were replaced.

We discussed our concern to the legality of the Resolution of March 30, 2015, I800 A3(8) to add "governmental entity" was not signed by proper authorities. We also could not find where it had been approved in the April, 2015 town minutes or by any minutes that it had been approved. Christine Harrison gave the treasurer's report. Our balance was \$3,068.05.

Jonathan Woods, Zoning Administrator, reported that he had approved application for sign and received \$25.00 from Dorland Presbyterian church for Dorland Cottage. He had received application and \$20.00 for Zoning Compliance from Brian Anderson for house to be built at 169 at Reservoir Rd. 28743. It was approved. He had received application for Zoning Compliance and \$20.00 from Thomas Stevenson at 300 Flint Branch Dr. It was approved. He also checked on permit for Paul Delisle for deck.

We worked on a definition for special events in Hot Springs. The definition of A Hot Springs Special event is defined as any event where a large number of people are brought together or come together to watch or participate in the activities of the event.
